

**Capability Statement**

**CAGE Code – 8DM85  
DUNS Number – 080599007**

### **Company Overview –**

GoldSky Security is a full-service cyber security solutions firm that exists to assist public and private sector businesses. Our services are custom-designed to support the protection options for small businesses and government agencies. The primary objective for all of the companies we partner with is to identify IT security vulnerabilities and provide the professional resources necessary to reduce the risk of cyber-attacks, malware threats, and data theft. Contact us today to find out about our federal contracting abilities and how we can best serve you and your organization.
